

ESG Review is committed to reporting on all aspects of ESG.

ENVIRONMENTAL

Measures how well a company performs as a steward of nature. It considers the way a company uses natural resources and how its operations impact the environment.

SOCIAL

Addresses how a company manages its interactions with its workforce, financial stakeholders, and the communities in which it operates.

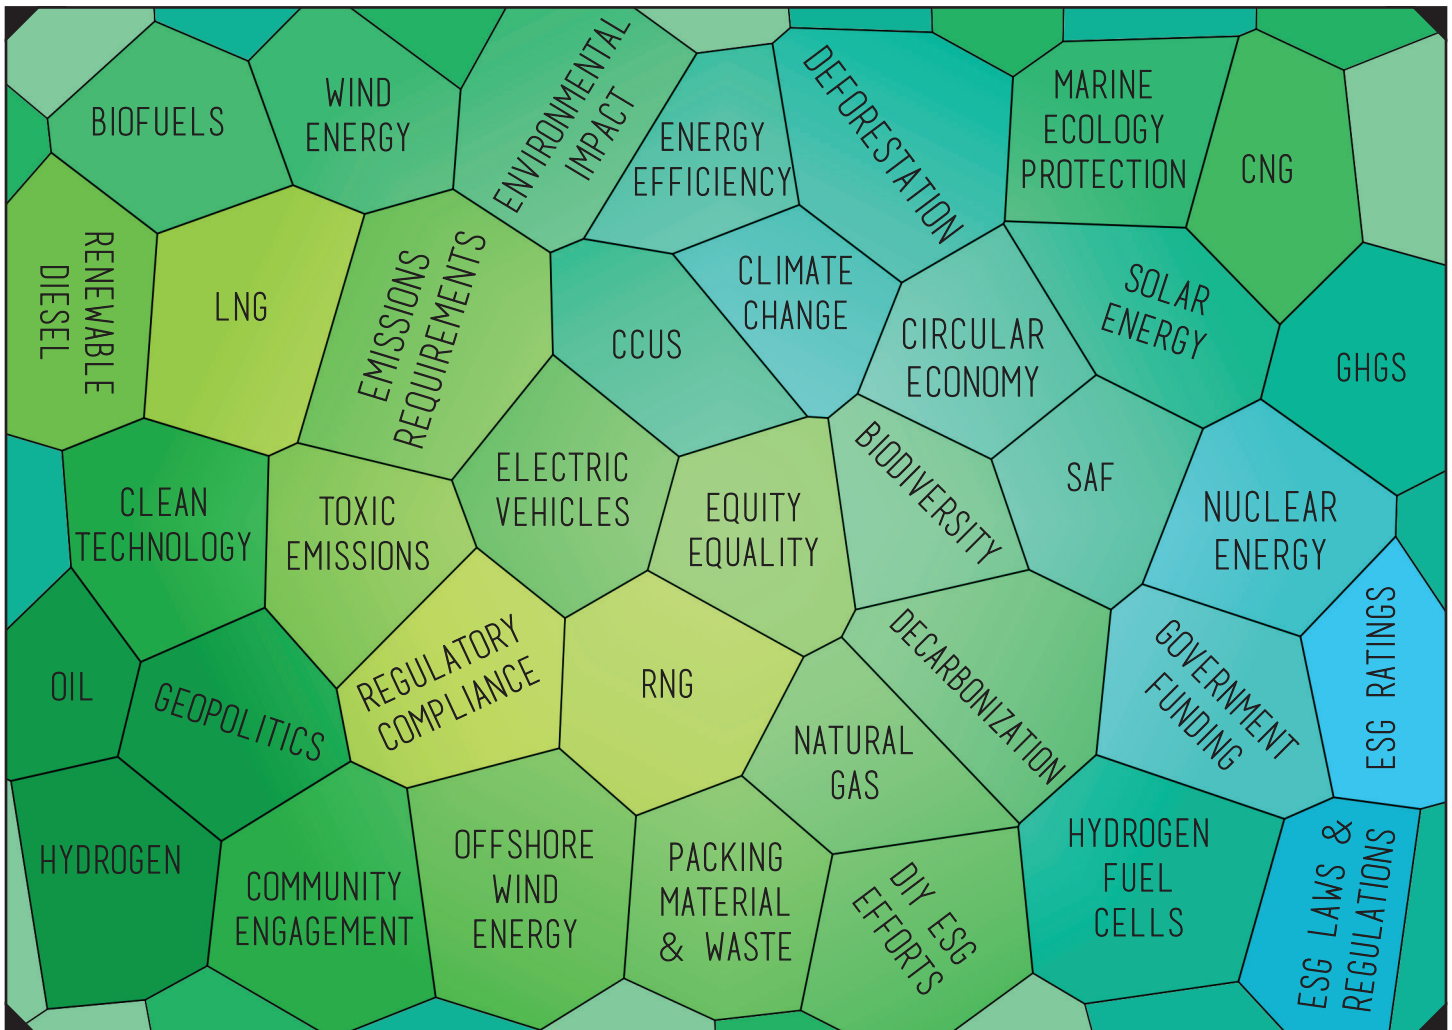

GOVERNANCE

Focuses on the responsibilities of the ownership and management of an organization – primarily its board of directors, executives, shareholders, and other key stakeholders.

ESG Review is both a quarterly publication AND a weekly website.

- ESG Review Magazine is delivered in print and digital formats to more than 14,000 readers.
- ESGreview.net is updated each Wednesday at noon CST with all new content.

See below for a range of topics covered throughout the year in both print and digital formats:

esg REVIEW

A JOURNAL OF RECORD FOR ENVIRONMENTAL,
SOCIAL, AND GOVERNANCE DEVELOPMENTS

ESG Review is the only resource devoted to the environmental, social, and governance (ESG) strategies, technologies, and investments that companies are making to create sustainability over the long term. There has never been a more cost-effective way to deliver your message to the people who are actively looking for products and systems to increase sustainability and improve their company's ESG score.
